Focusing On Quality

We have developed an investment process that is proven, robust and repeatable.

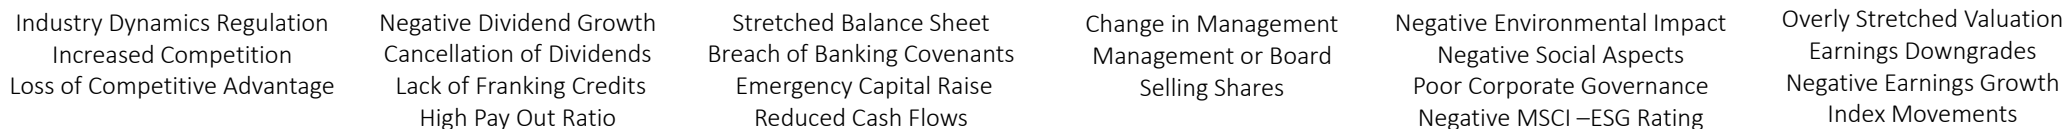

What we consider when we ADD or INCREASE our exposure to a stock.

We invest in companies using the six fundamentals below as part of the stock selection process.

What we consider when SELLING or REDUCING our exposure to a stock

A concentrated portfolio requires constant monitoring as investment cases can change for multiple reasons.

Focusing On Quality

Exposure by Sector

BKI aims to generate an increasing income stream for distribution to shareholders in the form of fully franked dividends.

We achieve this through long term investment in a portfolio of assets that are also able to deliver long term capital growth to shareholders.
